

## 2017-2018 Lakewood Music Boosters Summer Scholarship Application

Any music student 5th-11th grade wishing to attend a 2018 summer camp may apply, with the approval of their music teacher. **Membership in the organization must have been secured by Jan 31st.** Priority consideration will be given to students whose families/parents/guardians have been active members of Lakewood Music Boosters. Volunteering for LRMB, Lakewood Project and Orchestra music marathon are **not** Music booster events. Please volunteer for concerts and music booster fundraisers to receive higher scholarship awards. In the past, scholarships have generally covered 10-50% of the cost of an activity. Generally, if you volunteer more hours, your students will receive a higher scholarship award.

**Dates: All applications must be received by Friday, April 13th.** Applications will be reviewed by the Scholarship Committee, and approval status given to the student on or before May 4th. Scholarship awards will be sent by mail within two week of notification.

**Process:** Any student wishing to apply may obtain an application from their teacher or at [www.lakewoodmusicboosters.com](http://www.lakewoodmusicboosters.com). It is the student's responsibility to complete the application, including obtaining their music teacher's signature. Completed applications will be left with the music teacher and given to Lakewood Music Boosters.

**Incomplete applications (including all necessary signatures) will not be considered.**

Scholarship awards will be made payable to the summer activity. It is recognized that the above dates may not be appropriate for some early scheduled camps. If the applicant has already fully paid for their summer activity please include a completed copy of the activity application and a receipt of payment for that activity.
