GUIDELINES FOR THE AUDIENCE

Please enter or exit the auditorium between ensemble performances only. It is polite to wait at the back of the auditorium until an appropriate pause in the program. Children in the audience should be seated with a responsible adult. If the child with you becomes noisy or cries, please take the child from the auditorium at any time to soothe him or her. Your appreciation is shown not only by your applause after their performance, but also by your silence during their performance. A selection is finished when the conductor turns and faces the audience or when the conductor drops their arms completely. Please refrain from applause until that time. While applause at the end of a selection is appreciated, whistling and shouting is not. During a selection, solos should be applauded only if they are of a pop nature (jazz, swing, etc.).
