The Lakewood High School Orchestra Program invites you to sponsor one of our orchestra students. This annual fundraiser is in place of selling products at inflated prices. 100% of your donation goes to the students and the program. You may ask: "What do I get for my donation?" Well, this year we are focused on providing professional musicians for sectionals, master classes with Cleveland's premier orchestral musicians, private lesson scholarships, music, accessories, and to help offset the costs from the 2020 school year when we did not have fundraisers and all of our concerts were free. All of the money raised goes to support all SIX orchestras at Lakewood High School as well as support the middle school and elementary orchestras.

**Appreciation through practice:** The LHS orchestras will report to The Civic on Sat. Nov. 5 at 6:00 am and practice through the concert for a total of 13 hours of playing... but that is not all! You are invited to attend the "Dessert with the Arts" reception on Saturday, November 5, 2022, at 5:30 pm in The Lakewood Civic Auditorium. If you donate \$100 or more, you are eligible to conduct the orchestra or play with The Lakewood Project. If you donate \$75, you can dedicate a song to be played. Please select from this playlist:

**The Lakewood Project:** *Blinding Lights; Levitating; Mr. Blue Sky; Don't Stop Me Now; Counting Stars*

**Orchestra:** *Zombie Intruders; Power Shift; Mars; Canon in D; Hang on Sloopy; Pirates of the Caribbean; Twist and Shout; Ghostbusters; Shake It Off; Bittersweet Symphony*
